# Compaq Armada 1700/1750 Series

The Armada 1700 Series is the fully integrated Compaq notebook that combines the latest key technology with uncompromising value and convenience. The power of Mobile Pentium II processors with the fully integrated design and MultiBay for enhanced flexibility provides users the convenience of an all-in-one design and the latest technology. The 1750 includes new features such as a spill-resistant keyboard and a shock-resistant HDD enclosure.
