

# COMPAQ DESKPRO/M Windows™ Edition

The ultimate path into the world of Windows.

Windows applications didn't run, look or sound like this before. Because until now there wasn't a PC with the full range of technology required to take Windows to the limit. But the wait is over. Introducing the Windows\* Edition of the COMPAQ DESKPRO/M Family of Personal Computers.

These eight high-performance additions to the COMPAQ DESKPRO/M Family dramatically demonstrate the flexibility of Intelligent Modularity.

Instead of re-inventing the wheel, COMPAQ modular technology enhances and advances established products—letting you match your

PC capability to your changing needs while minimizing the cost of ownership.

The COMPAQ DESKPRO/M Windows Edition opens your eyes and ears to Windows as never before.

The COMPAQ QVision 1024/E Graphics Controller is standard equipment, providing 256 colors at 1024 x 768 resolution. Offering dazzling high-resolution graphics and instantaneous high-speed performance.

Microsoft Windows 3.1 and MS-DOS 5.0 are preinstalled on the hard drive (340 or 120 megabytes) to get you up and running immediately. The COMPAQ Mouse puts greater control and capabilities at your fingertips. The convenience of state-of-the-art COMPAQ Business Audio lets you attach a recorded message to

a document, enhancing business communications through your PC.

COMPAQ DESKPRO/M Windows Edition gives you high performance within a wide range, from a 25-MHz 386 processor to 50-MHz 486DX2 and beyond. COMPAQ Intelligent Modularity gives you the flexibility to meet the changing needs of the future, by upgrading today's technology to tomorrow's through our cost-efficient upgrade program.

And as each tomorrow arrives, Compaq will continue its firm commitment to customer service, ready to offer any assistance via our toll-free customer hot line 1-800-345-1518.

Your COMPAQ DESKPRO/M is backed by a one-year, on-site Limited Warranty,\*\* which is honored by over 3,500 Authorized COMPAQ Resellers and numerous Third-Party Maintainers.

Think of the COMPAQ DESKPRO/M Windows Edition not just as the most talented and multi-faceted members of our PC family, but as your immediate entry and investment into the PC computing of the future. Available today at your nearest Authorized COMPAQ Computer Reseller.

*A COMPAQ QVision 1024/E Graphics Controller, COMPAQ Microphone, MS-DOS 5.0, Microsoft Windows 3.1, and COMPAQ Mouse are all standard equipment.*
